July 14, 2011

Dear Valued Customer:

Teleflex Medical is conducting a voluntary recall on select lots of Rusch® Female Catheters and Rusch® All Purpose ROB/NEL PVC Catheters. The products listed above are being recalled because the packaging may be compromised, and therefore the sterile integrity of the product cannot be guaranteed. If non-sterile products are used, there is a possible risk of infection.

Our records indicate that we may have drop shipped, on your behalf, product from one or more recalled lots to patients on the enclosed sheet. Please refer to the enclosed list of items and lot numbers potentially affected, contact your patients and ask them to check their lot number(s) immediately. If they find they have affected product, advise them to discontinue use and return the product to you. Upon receipt, contact Independence Medical Customer Service at 1-800-860-8027 for return instructions.

Thank you for your assistance in this matter.

Sincerely,

Independence Medical
